Thank you!

Under the **East Suffolk Blooms scheme** the Parish Council were successful in getting 500 spring daffodil bulbs. In November, volunteers planted these along with snowdrops and bluebells. We look forward to seeing lovely patches of colour around our villages in the Spring.

Thank you to all the volunteers in both villages for giving up their time in wet and chilly conditions.

Hilary

Christmas Tree Festival

A massive **thank you** to everyone who helped to create our amazing Christmas Tree Festival. Once again, the church looked spectacular and we had many new visitors who hadn't been before.

A big thank you to **Nick Ward** and **Colin Harper** for setting up the tree outside the church; carol singing around the tree was enjoyed by many and our church was full once again for the Christmas Eve Carol Service which is quite magical with all the trees lit up.

Joan

The Christmas bazaar weekend was very successful and thank you to you to everyone who supported the event.

Shell

Next Parish Council meeting:
Wednesday 14th February 2024 at 7pm at Theberton Jubilee Hall

Theberton & Eastbridge Village Hall

Jumble Sale
