Introduction

The primary objective of internal audit is to review, appraise and report upon the adequacy of internal control systems operating throughout the council. To achieve this SALC adopt a predominantly systems-based approach to audit.

- the economic and efficient use of resources
- compliance with applicable policies, procedures, laws, and regulations
- the safeguarding of assets and interests from losses of all kinds, including those arising from fraud, irregularity, and corruption
- the integrity and reliability of information, accounts, and data

Methodology

When conducting the audit, the internal auditor may:

- review the reliability and integrity of financial information and the means used to identify, measure, classify and report such information
- review the means of safeguarding assets and, as appropriate, verify the existence of such assets
- appraise the economy and efficiency with which resources are employed, identify opportunities to improve performance and recommend solutions to problems
- review the established systems to ensure compliance with those policies, procedures, laws, and regulations which could have a significant impact on operations, and determine whether the council complies
- review the operations and activities to ascertain whether results are consistent with objectives and whether they are being conducted as planned

Section 1 – Financial Regulation and Standing Orders		
The internal auditor will check the date the Council conducted its annual review of both Standing Orders and Financial Regulations and in particular check if these are based on NALC'S latest model which include legislative changes.		
Evidence		<i>Internal auditor commentary</i>
Have Standing Orders been adopted, up to date and reviewed annually?	Yes	Council's Standing Orders, as adopted at the meeting of 11 th February 2026, are based on the model published by the National Association of Local Councils (NALC) in 2018 with revisions in 2022 and 2024. Recommendation: council should seek to adopt the updated Model Standing Order (England) 2025 which contain amendments to section 18 to comply with new procurement legislation and ensure consistency with the revised Model Financial Regulations.
Are Financial Regulations up to date and reviewed annually?	Yes	Financial Regulations, as seen on the Council's website were reviewed at the meeting of 11 th February 2026 and are based on the NALC Model Financial Regulations published in March 2025. <i>Comment: revisions to the model Financial Regulations as outlined under NALC Advice Note – Procurement, 3 February 2026 link to view the advice note should be incorporated at the next annual review if applicable.</i>

Has the Council appointed a Responsible Financial Officer (RFO)? ¹	Yes	In accordance with Section 151 of the Local Government Act 1972(d) (financial administration), council has appointed a person to be responsible for the administration of the financial affairs of the relevant authority. Council's own financial regulation1.5 confirms that the Clerk is so appointed.

Section 2 – Budgetary controls		
The internal auditor will seek verification that budgets are properly prepared, agreed and monitored. In particular they will look for evidence of good practice in that the key stages of the budgetary process have been followed		
Evidence		Internal auditor commentary
<i>Verify that budget has been properly prepared and agreed</i>	Yes	The budget for the year 2025 - 2026 was approved at the Council meeting of 8 th January 2025 and was set at £11,930 to be funded by the precept and known income. The budget for the year 2026 - 2027 was approved at the council meeting of 21 st January 2026. However, the minutes fail to record the budget being set. Recommendation: council should evidence within the minutes the actual budget being set alongside the reasoning for such a budget thereby ensuring transparency in the budgetary process followed by the council.
<i>Verify that the precept amount has been agreed in full Council and clearly minuted</i>	Yes	The minutes of 8 th January 2025 confirmed that the precept to be levied for the year 2025 - 2026 would be set at £10,408.49 which was stated as being a 5.5% increase in that claim the previous year. The precept for the year 2026 - 2027 was discussed and approved at the meeting of 21 st January 2026 and set at £10,871.98, which was acknowledged as being a 4% increase. <i>Comment: in accordance with best practice, council should record in the minutes the impact the precept being set would have on a Band D Dwelling in percentage terms.</i>
<i>Regular reporting of expenditure and variances from budget</i>	Yes	Council received regular reports detailing bank balances and approval of bank reconciliations, along with reviews covering comparisons between budgeted and actual income and expenditure.
<i>Reserves held – general and earmarked²</i>	Yes	The Council, as at year-end, had overall reserves of £21,703.18 broken down as General Reserves totalling £6,705.74 and Earmarked Reserves of £14,997.44.

² In accordance with proper practices, the generally accepted minimum level of a Smaller Authority's General Reserve is that this should be maintained at between three (3) and twelve (12) months of Net Revenue Expenditure

		<p><i>Comment: Council has noted guidance as issued by Proper Practices which states that it is regarded as acceptable for a council's general (non-earmarked revenue) reserves to be equal to 3 to 12 months of Net Revenue Expenditure (NRE) and should ensure that the level of general reserves held is in accordance with an adopted General Reserve Policy.</i></p> <p>Council's minutes have demonstrated that their overall aim is to hold 6 months' worth of NRE. The current level of £6,705.74 (128%) is slightly in excess of this aim. Council is also aware that there is no upper limit for Earmarked Reserves, but they should be held for genuine and intended purposes and their level subject to regular review and justification (at least annually).</p>
Additional comments:		

<p>Section 3 – Proper bookkeeping</p> <p>The internal auditor will look at the methods and processes used to manage the council's accounts and in particular that it provides clear data for reporting and monitoring purposes. This includes checking information is accurate, kept up to date, referenced and verified.</p>		
Evidence		<i>Internal auditor commentary</i>
<i>Is the ledger maintained and up to date?</i>	Yes	Excel spreadsheets were submitted for internal audit review, and these have been used to produce reports on a Receipts and Payments basis.
<i>Is the ledger on the correct basis in relation to the gross income/expenditure?</i>	Yes	Council's gross income and expenditure level is below the threshold of £200,000 and has been for three (3) continuous years. Council's operating under this limit may choose either to report on an income and expenditure basis or on a receipts and payments (R&P) basis. Council has elected to report its financial matters on a receipts and payments basis.
<i>Is the cash book up to date and regularly verified?</i>	Yes	The cashbook is reconciled on a regular basis.
<i>Is the arithmetic correct?</i>	Yes	A number of spot checks were conducted, and the functionality of the cashbook was found to be in order.
Additional comments:		

Section 4 – Payment controls		
The internal auditor will specifically check bank reconciliation including credit/debit cards and management approval processes and evidence that internal Financial Regulations (FO) are being followed. The internal auditor will examine how regular payments are managed and specifically seek evidence that these have been brought back to the Council for verification purposes especially where the actual payment made differs from the amount previously agreed. VAT should be clearly identified including evidence that claims have been correctly managed. The internal auditor will check if the Council has a clear understanding on eligibility in relation to the General Power of Competence and that s.137 has been correctly applied and managed.		
Evidence		<i>Internal auditor commentary</i>
Is there supporting paperwork for payments with appropriate authorisation?	Yes	A selection of random payments were cross checked minutes, cash book, bank statement and invoices and all were found to be recorded / authorised in accordance with Proper Practices. All were found to be in order. A financial statement is submitted at each relevant meeting detailing the payments to be made, with reference made within the body of the minutes as to the payments being authorised.
Where applicable, are internet banking transactions properly recorded and approved?	Yes	Internet banking is operated in accordance with the Council's own Financial Regulations and is used for the settlement of the Council's expenditure. The council's internal control documentation for electronic payments details the procedure to be followed for the making of such payments in accordance with council's own Financial Regulations. Council operates with dual authorisation for online payments.
Is VAT correctly identified, recorded, and claimed within time limits?	Yes	VAT is identified in the cash book with the overall balance for the year being £460.59. A reclaim covering the period 1 st January to 31 st December 2025 in the sum of £212.97 was settled on 27 th January 2026. <i>Comment: the Clerk has ensured that the council has complied with section 33 of the 1994 VAT Act which allows local authorities and other public bodies to recover VAT incurred on costs associated with: non-business activities, taxable business activities where the body is VAT registered (subject to the normal rules), and exempt business activities (where the input tax incurred in relation to exempt activities is considered to be insignificant).</i>

Has the Council adopted the General Power of Competence (GPOC) and is there evidence this is being applied correctly? ³	N/A	The Council has not declared that it fulfils the eligibility criteria to use the general power of competence.

Where applicable, are payments of interest and principal sums in respect of loans paid in accordance with agreements?	N/A	Council has no such loans.
<p><i>Additional comments:</i> statutory powers are granted by Parliament and give local councils the choice or opportunity to take action and are therefore discretionary. Like all powers given to public bodies the powers of local councils are defined in detail in legislation and these details may include a requirement to obtain the consent of another body. Local Councils must exercise their powers subject to the provisions of the general law. The clerk has referenced the Power to Pay within the cashbook.</p> <p><i>Recommendation:</i> the RFO should fully explore the provisions of s139(1) of the LGA 1972 Act as this power is for the receipts of gifts (both financial and property) and should not be used to incur expenditure. Such expenditure should be within the provisions of section 137 of the LBA 1972.</p> <p><i>The payment to WaterAid is considered to be ultra vires as, whilst section 137 Act can be used as a power of last resort, it only allows spending on purposes that bring direct benefit to the parish or its residents.</i></p>		

Section 5 – Income controls

The internal auditor will seek evidence to ensure income is correct managed – recorded, banked, and reported and test mechanisms used to achieve this.

³ Localism Act

⁴ Section 137 of the Local Government Act 1972 (“the 1972 Act”) enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure. The basic power is for a local council to spend money (subject to the statutory limit – of £11.10 per elector) on purposes for the direct benefit of its area, or part of its area, or all or some of its inhabitants.

Evidence		Internal auditor commentary
<i>Is income properly recorded and promptly banked?</i>	Yes	Income is recorded in accordance with the Council's Financial Regulations. The accounting records contain day-to-day entries of all sums of money received. The minutes of 21 st January 2026, confirm that council conducted an annual review of the Eastbridge Burial Ground Cemetery fees.
